INTRODUCTION OF PYRAHEAL PULSE

Pyraheal Pulse is one of the best product of our Lifegain Medical India LLP company. Which has completely changed the attitude of people to live with its use, and has been successful in giving disease free body to people. Pyraheal Pulse this is such a belt, to make which our company's Management team and R & D (research & development) team have invented this belt completely keeping in mind the human body. In Pyraheal Pulse, 158 Arush stones of Hexagon shape have been installed, due to which our body's Acupressure points are pressed, which the blood flow power in the body becomes strong, and at the same time, the muscles of the body get relief as soon as possible. In Pyraheal Pulse, Aarush stones have been placed in such a way that 94 Aarush stones are in the middle, which is beneficial for all diseases related to our waist. Along with this, 32 Aarush stones have been placed in one side in such a way that they work to benefit our kidneys, and on the other side, 32 Aarush stones have been placed in such a way that they come below our navel (Energy Point). Due to which our whole body gets energy. Which helps the body to stay healthy.
