JEEVANRAKSHA MAT 

॥ एक कदम लाईफगेन की ओर, एक कदम स्वस्थ भारत की ओर ॥

Good health is the basis of all the pleasures of life, but today's modern era man wants to live with full money, comfort and convenience. To get this comfort and convenience, he starts misbehaving with his health. Such as not eating food at the right time, not exercising, not getting enough sleep, not drinking water regularly, etc. due to which gradually there is a bad effect on the health and the body becomes a victim of diseases. And then we spend our lifetime's accumulated wealth in curing our diseases. But even that does not get rid of diseases.

Our body works continuously like a machine, which is made up of many components, such as our eyes to see, nose to smell, ears to hear, mouth, tongue and teeth to eat and taste food. For this, our hands and feet help us to do some work, or to move the body here and there. Apart from this, different organs like heart, lungs, liver, stomach, intestines etc. Have a specific function, our body remains healthy if those organs function properly. All these organs continue to work without any hindrance for life, therefore, we should always take proper care of our body, but today's modern man has become so busy in earning money that he does not care about his body. And gradually due to some of his wrong habits he has to face many physical problems. One has to live with the same disease for the whole life.

But now we do not need to worry because on all these physical problems our LIFEGAIN MEDICAL INDIA LTD company has made a very wonderful product for all of us, which will relieve us from all our physical problems, and the name of this wonderful product is "Jeevan Raksha" whose taking therapy two to three times a day has countless benefits to see on our body get. And we get all these benefits from the Aarush in Jeevan Raksha, which is made up of many natural elements, including some metals, clay and natural stones. And their names are:

Tourmaline
SILICA
SILVER
CLAY
MAGNESIUM
SERPENTINE
ZEOLITE
FELDSPAR
GERMANIUM

Jeevan Raksha means Mat that protects life. Jeevan Raksha is such a Mat, which helps to keep our body fit and healthy, so that we can spend our whole life disease free and happily.

Orient Therapy (ancient therapy), our body is divided into three parts. And important parts of our body come in these three parts, and by taking care of it we can always remain healthy and disease free.

॥ एक कदम लाईफगेन की ओर, एक कदम स्वस्थ भारत की ओर ॥

FROM HEAD TO CHEST:

This part of the body mainly includes nose , mouth , teeth , tongue , throat and trachea etc. Generally harmful bacteria enter our body through our respiratory tract. Due to which we are at risk of diseases like throat pain, throat infection, tonsils. By using Jeevan Raksha on the throat, it does not allow the bacteria to go down the throat and by eliminating them there, it protects us from diseases.

FROM CHEST TO NAVEL:

Mainly liver, heart, kidney, stomach etc come in this part of the body. Along with the increase in age in these parts of the body, many problems also come, such as high blood pressure, weakening of the digestive power, insulin not being produced properly by the pancreas, but when we use Jeevan Raksha properly. If we do it, then the blood circulation of the body starts working properly, due to which all the components of the body become functional, and our troubles start going away.

FROM THE NAVEL TO THE FEET:

This part of the body mainly includes organs like urinary bladder, large intestine etc. Generally, with increasing age on these parts, problems also start increasing. But if we use Jeevan Raksha daily, then we can easily overcome all these problems. Along with this, Jeevan Raksha provides relief even on the problems of private organs. Therapy can be given on these three parts of the body equally at the same time, Jeevan Raksha helps us to maintain our body better.

Jeevan Raksha :

Aarush Stone has been extensively used in the making of Jeevan Raksha. Aarush is a Sanskrit word. Which means first rays of the sun. The cover used to keep the Aarush stone on the Jeevan Raksha in the right way is made of artificial leather (man-made leather). which is of high standard. And it is quite comfortable. No living being has been harmed in this. Jeevan Raksha has 390 hexagon and pyramid shaped Aarush, because hexagon and pyramid shape are considered to be the source of positive energy. When we take the therapy of Jeevan Raksha, then due to this size of Aarush, energy pressure points of our human body get pressed, and these points start getting activated, due to which we get relief as soon as possible.

The changes in the environment around us and the diseases caused by these changes, which can never be cured by any medicines. That's why for the first time in India, our MD Sir and his R & D team's hard work has created a therapy that cures the biggest diseases. And made the impossible possible.

PRINCIPLE OF JEEVAN RAKSHA

There are some well known principles of our Jeevan Raksha. With the help of which we can make our body disease free. And the whole world follows all these principles. All these principles have innumerable advantages. Which meets the therapy of our Jeevan Raksha .

F.I.R
(first rays of the sun)

ACUPRESSURE

MOXIBUSTION

N.C.I
(NEGATIVE CHARGE IONS)

FIR (first rays of the sun)

We get FIR from the Sun in a natural way, but only for a short period of time. After that we get only UV Rays (Ultra Violet) from the Sun, which are harmful to the human body. FIR is very important for our human body, because as the age of the human body increases, the bones of the body start to weaken,

the important nutrients, vitamins and essential minerals of the body go out of the body, due to which the body becomes weak and falls ill, and FIR is lodged against these deficiencies. Fills in a natural way, which we do not get by eating and drinking.

BENEFITS

- * FIR helps to strong the nervous system.
- * Helps strengthen the cell cycle.
- * Helps to remove the dirt of the body.
- * Ex- Toxins & Chemicals Helps To Preserve Body Fats.
- * Helps to strong the immunity power of the body.
- * Helps in keeping body temperature normal.
- * Helps to to boost blood circulation.

॥ एक कदम लाईफगेन की ओर, एक कदम स्वस्थ भारत की ओर ॥

ACUPRESSURE

This therapy is used on energy pressure lines and energy pressure points of our body. There are a total of 12 energy pressure lines in our body and 365 energy pressure points above these lines, by making them active, we can easily remove any of our diseases from the body.

BENEFITS

- * Helps in improving the flow of energy in the body.
- * Helps in opening the blockage of nerves.
- * Helps to boost the blood circulation power.
- * Provides quick relief from body pain .

MOXIBUSTION

BENEFITS

- * Bones become strong with this therapy.
- * It works to provide benefit in joint pain and disc problem.
- * Helps in reducing extra body fat.
- * Helps in correcting the problem of hormones.
- * Helps in healing the lump of blood and fat made in the veins.

Only people of Japan and China use this therapy more. Moxibustion is made up of two words. Moxi (Moxa) and Bustion.

Moxa means herb and Bustion means burning (therapy by burning herbs). People of Japan and China used to burn herb and take therapy with its smoke. But due to the changing technical research, today our Lifeguard Mat is giving all the benefits of this therapy, that too without burning herbs.
